Assignment 0

Due Date: February 8, 2022 at 7:00 PM

Overview

This assignment will be worth **2%** of your total grade. The goal is to ensure you understand the foundations of HTML.

Specifications

Please use your text editor of choice to create **assignment0.html**.

assignment0.html

For this assignment, you need to:

- Create an HTML comment at the top of the page with your first name and last name inside of it

- Title of page must be "Assignment 0"

- Ensure that the character set is UTF-8

- Ensure the language is set to English for the entire web page

- Create a header using the LARGEST header tag saying "COSC 484: Assignment 0"

- A smaller header (any size below the largest) in italics saying "About the Professor" with a list containing:

  - A clickable link to my website: https://jalirani.com
  - A clickable mailto for my email: jirani@towson.edu
  - Any 3 random facts you can make up about me

- Another smaller header in italics saying "About Me" with a list containing:

  - Four random facts about you

- Create a footer that says "Thank you for looking at my webpage!"

Example output:

COSC 484: Assignment 0

About the Professor

- [Website](#)
- Tall
- Dark
- Not handsome
- jirani@towson.edu

About Me
